

The ONLINE APPLICATION is now available on the website. Everyone can submit the online application. If you don't have a PayPal account, you can submit as a "guest" or chose the "Online App Only" Button and then send in a check/money order along with other required documents by "snail-mail". Chances are probable that we will not be accepting any cash dues payments next season. PayPal and checks only.

The Member Roster Form, Apr & Sep Minutes forms, Club Rules, MOA's & the By-Laws on the home page are password protected. **If you want access to these forms, you need the user-name and p/w. Email me and I will email you the username/password.** They are protected to keep "non-members" from gaining Members' personal Identifying Information (PII).

If you have and want to share any pix from your game-cam or any other pix, email them to me and I will put them on the website or Facebook Group Page. The FB Group Page is for CLUB MEMBERS ONLY. Non-Members cannot see any of our

posts or pictures. Feel free to request to join the group and post whatever you want (providing the subject matter/pix are tasteful and professional).

A Hunter Safety Certificate is a required item to hunt on a Government Installation. If you're a prior or current Military/Law Enforcement Member, you can have the "Hands-on" portion of the class waived and send in a copy of your DD Form 214 along with your Hunter Safety Online Course Certificate and a notarized application to the Hunter Safety Office in Tallahassee, FL and they will send your Hunter Safety Certificate in the mail.
