

**RELEASE AND WAIVER OF RIGHT TO CLAIM FOR DAMAGES**

In consideration for the privilege of being a member/member's guest of the Camp Blanding Rod & Gun Club, Inc., I hereby agree to give up, relinquish, and to waive any and all claims for damages to which I may be entitled to as a result of my presence on Camp Blanding including, but not limited to, any claims arising as a result of my fishing in any lake or hunting in any area on the post of Camp Blanding.

I have read the above waiver and fully understand that if I am injured on the post of Camp Blanding or the Camp Blanding Rod & Gun Club, Inc. will not be held liable for my injuries.

As a member/member's guest of the Camp Blanding Rod & Gun Club, Inc., I am fully aware of the safety regulations and requirements of the post of Camp Blanding. I am also aware of the possibility of the unexploded ordinance in the lakes that I plan to fish and the areas I intend to hunt. In further consideration for the privilege of fishing and hunting, I assume all of the risk and injury that may occur from the ordinance, which may presently exist in the areas.

**I agree not to hold Camp Blanding Rod & Gun Club, Inc., the Florida National Guard or the United States of America responsible for any claim, which may arise as a result of my presence on Camp Blanding.**
