PERMIT CONDITIONS AND PROVISIONS:

1. The permittee shall submit a deer harvest report by April 1. All hunters must log their harvested deer before moving it from the point where the hunter located the harvested deer, and report their harvested deer within 24 hours.
2. All deer shall be taken only by individuals possessing a valid hunting license (unless exempt) in accordance with established bag and possession limits, only during established legal hunting season (General Gun, Archery, Crossbow and Muzzleloading Gun) and hours.
3. Each person taking an antlerless deer shall, immediately upon killing the deer and before loading said deer upon conveyance, fasten and lock an antlerless deer tag to the carcass of the deer. Antlerless deer may not be possessed unless an identifying tag has been affixed to the carcass. Each tag shall remain affixed until the deer is dismembered and stored at the hunter's domicile.
4. Commission personnel, at their discretion, shall be granted access to lands described in the permit to ensure compliance.
